## The Hesketh House Collection

Quilt Design by: Heidi Pridemore, Quilt Size: 66" x 66" (168cm x 168cm), Skill Level: Intermediate

Titled in honour of a favourite artwork in the Liberty archive dating from the 1890's, 'The Hesketh House Collection' draws inspiration from heritage interior details of an English stately manor.

Decorative wallpapers, rich woven textiles, carved wooden details and views of the garden inspired the fabric designs. Traditional motifs and authentic screen-printing techniques are used to create a rich and luxurious House collection. Signature Liberty designs in fresh, new contemporary colour combinations offer a perfect accessory for the modern interior.
